

# HAVE YOU EVER WONDERED HOW COW'S MILK REALLY AFFECTS YOU?

**We are investigating the nutritional and sensory properties of cow's milk produced in Western Australia. We need participants to drink milk to determine if there is a difference between samples around gut discomfort or sensitivity.**

**Who?** Healthy adults aged 18-65 years old with no diagnosed intolerance/allergy to cow's milk. We need milk drinkers and those who don't drink it much at all.

**What:** You will consume samples of cow's milk.

**How will my data be used?** No data identifying you will be used to publish the results.

**Where:** In your own home

**Interested or want more information?**
